TEXAS TONIO SYRUP

Chills & Fever or Fever & Ague

Every Poison has its Antidote-Every Disease has its Cure.

The People of the Mississippi Valley and The I copie of the Mississippi valley and throughout the sutire South, have long felt the necessity for, and want of, a SAPE, CERTAIN AND RELIABLE REMEDY, as a substitute for Quinine, Strychiains, and other poisonous Brugs, for the cure of Faver and Ague, or Chills and Fever. We claim, and the results will show, and bear ample instimony to every unprejudiced mind, that the Toxas Tonic Syrup has supplied this want and accomplished this purpose. Its Tonic Alterative and Antiseptic qualities are such that none can possibly be disappointed in its effects. Upon the own merits therefore it is austained. A single trial is all that is needed to stamp this remedy as the greatest specific of the age.

MEMPHIS, TENN., Soptember 4, 1867.

MANSFIELD & HIGBER:
GE TLEMEN-Having long suffered from Chills and Fever, and, after having tried without effect Quinins, Ayre's agus Cure, and other chill medicines, I was induced to take a bottle of your TEXAS TONIC SYRUP, and after a few doses was entirely relieved, set having had a Chill since. I take pleasure in recommending it as a safe, pleasant and speedy cure for the above named disease.

is all that is needed to stamp this remedy as the greatest specific of the age.

The ingredients of which this Medicine is composed are simple productions of nature abounding upon certain streams in the State of Texas, and were ever used by the Aboriginees of that State as a specific for Fersin of all kinds, and especially Fever and Agus, which they never failed to cure.

A colebrated physician, asquainted with these facts, has furnished up his theory upon this important subject, and hance the product properly named TEXAS TONIC SYRUP, which we now offer to the public as a specific and positive cure for Fever and Agus, or Chifis and Fever, no matter of how long standing.

GENTLUMEN—After suffering more or less from the Agne for five years, and finding no permanentrollef from physicians prescriptions, or the popular remedies of the day, I was induced by a friend to try your new (though already widely known). "sure coure" for Fever and Ague, the TEXAS TONIC SYRUE, and am happy to state that it worked to a charm. I have led but one thill since (and that was caused by own imprudence on the third day after), although nearly three mouths have since clapsed, and I unhesitatively recommend it to all who are safering from any form of Ague as a safe, sure and pleasant causedy for the same.
